## The next generation of the world's best-selling Bluetooth® headset!

### Better than the best!

The BT500 is the next generation of the best-selling Bluetooth headset ever made. The best-selling and prize-winning Jabra BT250 has consistently ranked as the number one headset choice for business professionals worldwide. And with the BT500, Jabra has built on the strengths of this success to produce a headset that gives you comfort and cutting-edge technology – designed, so you can communicate freely and naturally.

### Extremely comfortable

If you want Bluetooth technology designed for all-day comfort, the Jabra BT500 is the perfect choice. It has been ergonomically designed to fit securely and comfortably behind the ear. At 20% lighter and 30% slimmer than its predecessors, the BT500 offers the ultimate in lightweight comfort for a Bluetooth headset.

### High performance – and great usability

Jabra is not just about looking and feeling good, our products offer state-of-the-art technology. Additional new features make the Jabra BT500 extremely easy to operate. Pairing with your mobile is now even easier with a one-touch pairing button. The multi-colour LEDs keep you informed on your Bluetooth connection, charging status and battery status. You also have the convenient option of charging directly from your PC via a USB cable.

The Jabra BT500 is the perfect choice for the business professional who wants a high-performance mobile headset that looks and feels great!
